

Date: 16th June 2007

Time: 6 am to 7 am

Let us set aside one hour of our time to pray for our Children. Let us pray an activation into the destiny of the lives of our children, let us become watchmen to a generation that is caught amidst the snares of the enemy.

Let us pray that God will raise a militant and prophetic generation that would overthrow the kingdoms of darkness.

# Pray for our Children!

Pray in your local churches just for one hour on the 16th of June 2007, from 6am to 7am.
